Dear PAWGUST pack member,

I'm Chrissy and I'd also like you to meet my Guide Dog and best friend, Lacey. Both of us participated in PAWGUST last year and we are so happy you've signed up for 2019!

Thank you!

Lacey and I have been in a partnership for 2½ years and she is like my little cheerleader. She has helped me accept my loss of vision and she makes me feel proud and confident. Every day I think about the amount of time, funding, volunteer hours and everything else that has been put into Lacey. My family and I often get teary thinking about everything she's done to get to me.

My contact with Guide Dogs has been the best throughout my whole experience of losing my vision. They are always there for you, so supportive, proactive and positive. I hadn't experienced that anywhere else.

PAWGUST gave me a way in which I could give back to this amazing organisation so this year, Lacey and I are going to be YOUR cheerleaders and we can't wait!
